

**Here are the five steps to creating an a la carte table cover:**

1. Place the base plate in the center of the cover position
2. Place the fish knife and fork around the base plate
3. Place the side plate about 5-6" to the left of the base plate and place the side knife on top, on the right, facing left
4. Set a napkin in the center of the base plate
5. Position a glass up about 2-3" and to the right about 2-3" from the tip of the fish fork
