

Harmony in Existence
vfLrRo esa O;oLFkk

Self-exploration, Self-investigation, Self-study

1. Content of Self Exploration:

a. Desire (**pkguk**) - Aim, Purpose **Happiness, Prosperity** → **Continuity**

b. Program (**djuk**) – Process of achieving the desire, action

Happiness = To be in Harmony

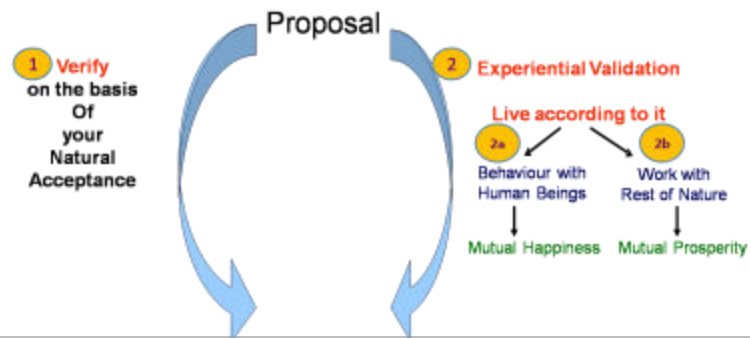

To understand Harmony & to live in harmony at all 4 levels:

1. Harmony in the Human Being
2. Harmony in the Family
3. Harmony in the Society

4. Harmony in Nature/Existence

2. Process of Self Exploration Self-verification

Whatever is said is a **Proposal** (Do not accept it to be true)
Verify it on your own right

Sum Up

Existence is in the form of co-existence. It is ever present
(Existence = Co- Existence = Units submerged in Space)

Every unit in existence is related with every other unit in existence in a mutually fulfilling manner

Synergy is intrinsic to existence, harmony is inherent in existence – we do not have to create it, we do not have to construct it

The role of Human Being is to realize this co-existence, this harmony, this order in existence – For this, all that human beings need to do is:

1. To understand the inherent harmony, the co-existence in existence
2. To live accordingly – to live with the feeling of harmony or co-existence (**and there is every provision in existence for living in co-existence**)

Program for Human Being (Our Role in Existence)

Existence is Co-existence

Human Being is by virtue of Co-existence; embedded in Co-existence

All the Human Being needs to do is to understand Co-existence and to live in Co-existence

Program for Human Being (Our Role in Existence)

Human beings have two important things to do:

1. To understand the co-existence

1.1. To understand co-existence – **Knowledge (*Gyan*)**

1.2. To ensure the feeling, thought of co-existence –
Resolution (*Samadhan*)

2. To live in co-existence

2.1. To live in co-existence with human-beings

–family to world family – **Undivided Society
(*Akhand Samaj*)**

2.2. To live in co-existence in nature

–family order to world family order – **Universal Human Order
(*Sarvhaum Vyavastha*)**

By these two being ensured by human beings, the result will be Undivided Society and Universal Human Order on Earth, in which Harmony and peace are very natural outcomes (and there is every provision in Existence for it)

Now we can see that...

Happiness is an indicator, a feedback, that we

- have understood harmony and
 - live in harmony
- } at all 4 levels of our being

Unhappiness is an indicator, a feedback, that we

- have not understood harmony and/or
 - do not live in harmony
- } at one or more of the 4 levels of our being

Our role is to make the effort

- to understand harmony and
 - to live in harmony
- } at all 4 levels of our being
1. In the Self, as an Individual
 2. In Family
 3. In Society
 4. In Nature/Existence

This is our role in existence ...
